Mr Munachen was appointed Chief Executive Officer of Norwest on 3 December 2009 and has been responsible for the restructuring of Norwest and the new focus of the Company on the shale gas projects in the Northern Perth Basin.

The Chairman of the Meeting intends to vote undirected proxies in favour of the re-election of Michael Fry.

Board Recommendation: The Board recommends that shareholders vote in favour of this resolution.

The Chairman of the Meeting intends to vote undirected proxies in favour of the resolution.

Resolution 5. Employee Incentive Scheme

The Directors consider that it is desirable to establish an option scheme under which officers, employees and consultants may be offered the opportunity to subscribe for Options to acquire Shares in the Company in order to increase the range of potential incentives available to them and to strengthen links between the Company and its officers, employees and consultants and accordingly propose to adopt the Norwest Energy NL Employee Incentive Scheme ("**Scheme**") on the passing of this resolution.

The Scheme is designed to provide incentives to the officers, employees and consultants of the Company and to recognise their contribution to the Company's success. Under the Company's current circumstances the Directors consider that the incentives to officers, employees and consultants are a cost effective and efficient incentive for the Company as opposed to alternative forms of incentives such as cash bonuses or increased remuneration. To enable the Company to secure officers, employees and consultants who can assist the Company in achieving its objectives, it is necessary to provide remuneration and incentives to such personnel. The Scheme is designed to achieve this objective, by encouraging continued improvement in performance over time and by encouraging personnel to acquire and retain significant shareholdings in the Company.

Shareholder approval is required if any issue of Employee Options pursuant to the Scheme is to fall within the exception to the calculation of the 15% limit imposed by Listing Rule 7.1 on the number of securities which may be issued without shareholder approval. Accordingly, shareholder approval is sought for the purposes of Listing Rule 7.2 Exception 9(b) which provides that Listing Rule 7.1 does not apply to an issue of securities under an employee incentive scheme that has been approved by the holders of ordinary securities within three years of the date of issue.

Under the Scheme, the Board may offer to Eligible Persons the opportunity to subscribe for such number of Employee Options in the Company as the Board may decide and on the terms set out in the rules of the Scheme, a copy of which is contained in section 2 of this Explanatory Statement. Employee Options granted under the Scheme will be offered to participants in the Scheme on the basis of the Board's view of the contribution of the Eligible Person to the Company.

In accordance with the requirements of Listing Rule 7.2 Exception 9(b) the following information is provided:

- a) a copy of the rules of the Scheme is set out in Section 2 to this Explanatory Statement;
- b) since the last approval of the Scheme in 2008 a total of 16,050,00 options have been issued; and
- c) a voting exclusion statement has been included for the purposes of Resolution 5.

Board Recommendation: The Board recommends that shareholders vote in favour of this resolution.

The Chairman of the Meeting intends to vote undirected proxies in favour of the resolution.

- the number of Shares in the same class as the Shares the subject of the Offer issued by the Company under all employee share plans or employee option plans during the previous five years.

5. Entitlements

Subject to Rule 4, the number of Options (if any) which an Eligible Employee is granted shall be determined by the Directors in their discretion. Nothing in these Rules shall prohibit the Directors from determining to grant Options to an Eligible Employee on more than one occasion.

6. Application

If the Directors determine that Options are to be granted to certain Eligible Employees under the Scheme, such Eligible Employees who are chosen shall be invited to apply in their own names or in those of an Eligible Nominee to take up, in whole or in part, their entitlement to those Options under the Scheme.

- d) Unless otherwise approved by resolution of Directors, Options issued pursuant to the Plan shall, subject to paragraph (g), be exercisable as follows:

 - ii. 100% may be converted to Shares after a period of twelve months has elapsed from the date of issue;
- e) Options issued pursuant to the Plan must be exercised within five years after their date of issue.
- f) Notwithstanding paragraph (d), but subject always to paragraph (g), an Option holder may exercise any Options during a Takeover Period.

For the avoidance of doubt, paragraph (g) does not permit the exercise of any Option by any Option holder who:

- i. ceased to be an Eligible Employee; or
 - ii. is the Eligible Nominee of a person who ceased to be an Eligible Employee, prior to the commencement of the Takeover Period.

force or effect but only those Options that the Past Eligible Employee or his Eligible Nominee was entitled (other than by virtue of paragraph (f)) to exercise at the Retirement Date may be exercised.

- i) Options shall not be listed for official quotation on ASX nor on any other official stock exchange in any other country.
- j) Options shall be exercisable by the delivery to the Registered Office of the Company of the Option exercise form appearing on the reverse of the Option certificate stating the intention of the Option holder to exercise all or a specified number of Options held by the Option holder accompanied by the Option certificate and a cheque made payable to the Company for the subscription moneys for the Shares. - k) The Company shall allot the resultant Shares and despatch the holding statements within five business days of the exercise of the Option.
- l) Shares allotted pursuant to an exercise of Options shall rank, from the date of allotment, equally with existing Shares of the Company in all respects.
- m) The Company shall within 3 business days of allotment make application to have Shares allotted pursuant to an exercise of Options listed for official quotation by ASX and any other stock exchange on which the Shares are quoted from time to time.
- n) There are no participating rights or entitlements inherent in the Options and holders will not be entitled to participate in new issues of capital offered to shareholders during the currency of the Options. However, the Company will ensure that for the purposes of determining entitlements to any such issue, the record date will be at least 10 business days after the issue is announced. This will give Option holders the opportunity to exercise their Options prior to the date for determining entitlements to participate in any such issue.
- o) There will be no change to the exercise price of the Option or the number of Shares over which the Option is exercisable in the event of the Company making a pro rata issue of Shares or other securities to the holders of Shares (other than a bonus issue).
- p) If there is a bonus share issue (**Bonus Issue**) to the holders of Shares, the number of Shares over which the Option is exercisable will be increased by the number of Shares which the Option holder would have received if the Option had been exercised before the record date for the bonus issue (**Bonus Shares**). The Bonus Shares must be paid up by the Company out of the profits or reserves (as the case may be) in the same manner as was applied in the Bonus Issue and upon issue rank equally in all respects with the other shares of that class on issue at the date of issue of the Bonus Shares.
- q) In the event of a re-organisation of the issued capital of the Company the Options shall be re-organised in accordance with the Listing Rules.

9. Amendment of the Scheme

The Scheme may not be amended without the prior approval of shareholders of the Company in general meeting held in accordance with the Listing Rules.
