Dear Jill

### Request for Trading Halt

Norwest (ASX: NWE) provides the following information to support a request for an immediate trading halt to be placed on its securities:

- I. The Company is currently testing the gas flow rates from the Arrowsmith-2 well and needs time to understand and evaluate the significance of the results before releasing to the market.
- II. It is requested that the Company's securities remain in a trading halt until the market opening on Friday 20 September 2013
- III. The event to end the trading halt is the release of results from the Arrowsmith-2 well
- IV. Norwest is not aware of any reason why the trading halt should not be granted or of any other information available at this stage that is relevant to the trading halt.
